

GLASSICAL®

The GLASSICAL® Movable Wall integrates with all of your projects with harmony and transparency.

SILENT AND EASY TO MOVE

ALGAFLEX assures an exclusive system: Polymer-coated, self-lubricating, wear-resistant ball bearing trolleys (Delrin).

TECHNICAL RELIABILITY

Our GLASSICAL® walls have undergone the most rigorous endurance and mechanical resistance tests, in a specific lab or in ALGAFLEX's own Test Center.

5-year parts and labor warranty

FACE FINISH

Tempered or Lamine Glass
